

## Statement of Attainment in Chemical Application Under Supervision

### Details

TAFE NSW Course No: **20066**

### Description

This course will provide you with the knowledge and skills to follow basic chemical safety rules, follow safety instructions, use appropriate personal protective equipment, measure, mix, transport, hand, store and dispose of chemicals and apply chemicals under supervision using hand held or small powered equipment.

On successful completion of this course, you will meet the current minimum training requirement of the NSW Pesticide Regulation (2009).

### Career Opportunities

Chemical application assistant.

**Nominal hours:** 20

### Entry requirements

There are no formal entry requirements for this qualification

### TAFE NSW fee information

The TAFE NSW fee is based on the level of qualification, however other fee arrangements apply for commercial courses (TAFE PLUS), international students, temporary visa holders, Australian Aboriginal and Torres Strait Islander students, students with a disability, apprentices, trainees and government benefit/allowance recipients. Other course related costs may apply.

If your course runs for more than one semester you may have the option to pay your TAFE NSW fee in two equal half-yearly payments - the first payment when you enrol.

For more information on TAFE NSW fees, fee exemptions, fee concessions and other fee arrangements that may apply, contact your local campus.

**Course Locations**

The course offering status below is current at the time of viewing. A course offering status may change at any time based on demand or additional places becoming available.

Commercial fees apply to offerings of this course at the following locations.

Location	Status **	Start Date	End Date	Cost
Ryde	Available	13-Feb-2012	13-Feb-2012	\$280

**\*Key to Attendance modes**

**Full Time-** Enrolments with 540 or more total Annual Student Hours (ASH) in a given course. This represents a weekly study attendance of between 15 and 30 hours.

**Note:** For students to be eligible for Centrelink benefits, the full time study load will be calculated on 16 hours per week. To obtain a Travel Concession pass, a full time student load of 20 hours per week will be required.

**Flexible Delivery-** This attendance allows for learning and assessment in a variety of modes. This may include on campus, off campus, distance learning, online learning and combinations of any of these.

**Part Time Day-** A weekly daytime study attendance of less than 12 hours. This study pattern may include attendance on weekends.

**Part Time Evening-** A weekly study attendance of less than 12 hours. This study pattern may include classes starting from midday through to the evening.

**\*\*Key to Status**
